Coronavirus COVID-19 Public Health Advice

Stay Safe. Protect each other.

Know the symptoms. If you have them, self-isolate and contact a GP. Continue to:

Wash - your hands well and often to avoid contamination.

Cover - your mouth and nose with a tissue or sleeve when coughing or sneezing and discard used tissue safely.

Distance - yourself at least 2 metres (6 feet) away from other people, especially those who might be unwell.

Reduce - contact with others when out and about. Distance yourself at least 2 metres (6 feet) away.

Symptoms of COVID-19
 > a fever (high temperature - 38 degrees Celsius or above)
 > a cough - this can be any kind of cough, not just dry
 > shortness of breath or breathing difficulties

Coronavirus COVID-19 Public Health Advice

How to use Face Coverings

ALWAYS CLEAN YOUR HANDS BEFORE AND AFTER WEARING A FACE COVERING

Correct Covering - Medical masks should be reserved for health workers or patients in treatment. If you have been advised to wear a medical mask, always have the coloured side showing and the metal band at the top of your nose.

Check Your Fit - Check that the face covering is made from a fabric that you are comfortable wearing. Check that it is easy to fit and completely covers your nose and mouth, all the way down under your chin. Tighten the loops or ties so it's snug around your face, without gaps. If there are strings, tie them high on top of the head to get a good fit. Do not touch or fiddle with the face covering when it is on.

DO NOT: Wear the face covering below your nose. **DO NOT:** Leave your chin exposed. **DO NOT:** Wear it so it covers gaps on the sides. **DO NOT:** Wear it so it covers just the top of your nose. **DO NOT:** Push it under your chin to rest on your neck.

FOLLOW THESE TIPS TO STAY SAFE: ALWAYS wash your hands before and after handling your face covering. ALWAYS change your face covering if it is dirty, wet or damaged. Carry a second face covering to put used face coverings in. CHILDREN under 12 should not wear face coverings. ALWAYS wash your hands and keep social distance.

Safe Removal - Use the ties or ear loops to take the face covering off. Do not touch the front when you take it off.

Disposing Of Single-Use Mask - Always dispose of single-use masks properly in a bin. Don't forget to clean your hands and keep social distance.

Stay safe. Protect each other.
